

Exhibition participant

Participation in the exhibition is a unique opportunity for organizations to widely present their activities, announce the products, equipment, services, etc. among the largest companies of the mineral and raw materials complex, to establish new business contacts, and to strengthen existing ones.

Within the framework of the exhibition, it is planned to present modern means of industrial safety, labor protection and mine rescue equipment (personal protective equipment, control devices for the mine atmosphere, life-saving apparatus for mine rescuers, etc.).

1. Allocation of partially equipped location/area (a table, chairs) for demonstration of individual protection means (equipment, devices, etc.) – **4 000 rub/ m²** (minimum square 6 m²);
2. Demonstration of the company information materials on the table – **8 000 rub.**
3. Demonstration of X-banner – **8 000 rub.**

Final costs depend on the preferences of a Client

To participate in the exhibition should contact the Organizing Committee.
